## 5. DECLARATION

The applicant declares to being informed of and accepting the following conditions:

- This application is regulated by Law 4/2003, of 26 March, on Balearic Island Museums (BOIB no. 44, of 3 April 2003), and Decree 14/2001, of 25 February, which approves the Regulations for archaeological and paleontological interventions in the Balearic Islands (BOIB no. 37, of 12 March 2011).
- The research activities to be carried out must obey in force legislation on intellectual property at all times.
- In the event any pieces of archaeological origin are pending presentation of their scientific memoir required by Regulations, written permission must be obtained from the director of the corresponding archaeological intervention.
- Access and study must meet the conditions established by the Museu de Menorca to ensure the safety and proper conservation of the property.
- Once consultation is completed, a report must be submitted to the Museu regarding the executed actions, obtained conclusions and, where relevant, the publications in which the studied pieces shall be mentioned.
- In the event a publication is made, express mention must be made regarding authorship, excavation or collection of the consulted pieces, as well as of the Museu de Menorca. Failure to comply with this requirement will result in a penalty of five years to ask again for a consultation in the Museum's collection.
- Visits made by the applicant to carry out research must be scheduled in due time (at least 15 days prior, no more than 2 months prior).
- The Museu de Menorca reserves the right to take any legal actions it deems necessary against individuals who do not comply with these conditions. In such, the Museu de Menorca and the applicant shall be subject to the jurisdiction of the courts of the city of Maó, renouncing their own jurisdiction if it is another

The undersigned REQUESTS access to research the cultural property indicated in section 2 of this document and agrees to provide, once completed said consultation, a report on the executed actions, obtained conclusions and, where relevant, the publications in which pieces from the Museu de Menorca are mentioned.
